

Has Living with Pain Changed Your Life?

**Join Us Saturday, September 10, 2005
from 2:00-4:00 PM**

Power Over Pain is reaching out to people who have had their lives changed due to pain. Pain affects not only the person, but those around him/her. Come join us. Talk with others who understand, and enlighten those who need answers. Find out from experts the types of treatments available, and ask the questions you need to be answered. Help us change the laws, and policies that impact those in pain.

This meeting will feature:
